Okay. Use the Highway WD and I will do a mod to incorporate it into the TO.

We do not anticipate utilizing categories from the Heavy WD at this time.

I hate to say it but it looks like the Highway Wage Determination is a better fit. Do you anticipate needing any of the categories from the Heavy WD?

Richard:

This is in regards to Task Order 51, Gold King.

After reviewing the DBA wage determination and categories with our Response Manager it appears there are additional labor categories not defined within the Heavy DBA Wage issued with the task order.

The majority of categories are covered under the Highway DBA Wage determination. I have attached a copy of Highway version outlining which categories would be applicable.

Please let me know if you wish for us to utilize the Highway DBA or the Heavy DBA in producing our DBA work-ups.

Thank you,

Marilyn
